GOTS
100% organic cotton by GOTS Sustainable Textile methods certified and inspected by Control Union. The aim of the standard is to ensure the textiles are made using organic raw materials and environmentally and socially responsible methods.
License no. CU810963

Sa8000
SA8000 is based on the principles of international human rights norms. It measures the performance of companies in eight key areas: child labour, forced labour, health and safety, free association and collective bargaining, discrimination, disciplinary practices, working hours and compensation.

EU ECOLABEL
The official EU label for Greener Products. Ecolabelled products have a comparatively modest impact on air, water, soil, quality, natural resource consumption, global warming and biodiversity. Products must pass rigorous environmental fitness tests, with results verified by an independent body. The label adorns top performing products only.
License no. DK/016/049

NEUTRAL® RESPONSIBILITY
Renewable energy powers the Neutral® production. That way, making Neutral® clothing contributes to cleaner environments and fights climate change. In times of surplus, energy not needed for production is directed to local networks.

FAIRTRADE
The Fairtrade Certification Mark is your independent guarantee that the cotton in this product has been certified in accordance with international Fairtrade Standards. www.info.fairtrade.net
License no. 19007

OEKO-TEX
The Oeko-Tex Standard 100 comprehensively addresses the human ecology component of textile products. It evaluates and screens for any harmful substances present within processed textiles, which are intended to come into contact with consumers.
